

## COMUNICADO

Prezado(a),

O departamento de ICMS comunica que a partir de 03 de fevereiro de 2025, as inscrições abaixo relacionadas serão obrigadas a emitir a nota eletrônica de produtor rural. Os produtores, cuja receita bruta foi superior a R\$ 360 mil nos anos de 2023 e 2024, fazem parte da primeira leva de contribuintes selecionados pela Receita Estadual para a transição.

Até 30 de junho de 2025, os produtores poderão usar os talões antigos de Nota Fiscal de Produtor (NFP) para operações internas, mas a partir de 01 de julho 2025, não será mais permitido. Assim, não serão aceitas solicitações de novos talões no sistema. No entanto, o produtor pode retirar os blocos que estiverem disponíveis fisicamente no estoque, observando o prazo limite de uso.

Ressaltamos que o prazo para as demais inscrições aderirem à NF-e é 04/01/2026.

### **IMPORTANTE:**

Todos os produtores, mesmo os que não são obrigados, podem emitir a NF-e ou a Nota Fiscal Avulsa Eletrônica.

O aplicativo Nota Fiscal Fácil está disponível para todos os produtores rurais, permitindo emitir a NF-e mesmo sem internet.
